Volunteer Drivers Needed Get Paid Mileage!

Are you over fifty five?

Are you retired?

Do you have time to help others in your community?

Looking for something to do?

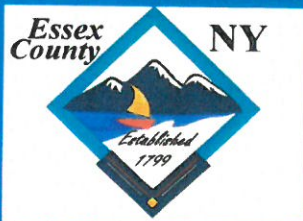

We can help! **VOLUNTEER!**

We pay the federal mileage rate and if you qualify to be an RSVP Volunteer you will be provided additional liability insurance on your vehicle. The best part? You choose when you want to do it!

We have many Essex County senior citizens that have no transportation and need rides for medical appointments. You can help! For more information on how to become a volunteer driver, please contact Essex County Transportation at (518) 873-3899.
