

## Veterans of Minerva

The Veterans Committee of the Minerva Historical Society is assembling a list of all veterans, living or deceased, who have honorably served at any time in the branches of the United States Military. The list will include all Minerva natives and those who have lived in or moved to Minerva. These veterans will be honored in the 2017 Minerva Bicentennial History publication, *Minerva 1817-2017*.

If you have not already filled out the attached Veterans Information Sheet, you can mail it to Rob Lee, P.O. Box 957, Minerva, NY 12851.

Veterans who moved to or once lived in Minerva need to submit a DD214 or discharge paper to Rob Lee in order to be included in the publication. We welcome any information which would help Minerva Veterans screen any interested individuals.

Thank you for your service,  
Rob Lee, Chair
