

MSO 2021 PIE SALE

The Minerva Service Organization (MSO) expresses a great big THANK YOU to all who supported our Annual Pie and Soup Sale this past Saturday, October 9, from 10 a.m. to 2 p.m. The Sale was a huge success – approximately 150 pies sold out and the 75+ quarts of soup were a real hit, selling so rapidly that we could not offer lunches to our casual shoppers.

Much credit goes to Betty LeMay, as the planner and executer of the Pie Sale, and to Lisa Salamon, as our soup specialist. Several other MSO members and even some who are not members but participate in the preparation for the event, are to be commended for their industriousness. Monies from the sale are, as always, used to improve life for residents of our town.
