

## 2021 Town of Minerva 1<sup>st</sup> Annual Scarecrow display and contest

The 2021 Town of Minerva 1<sup>st</sup> Annual Scarecrow display and contest had an amazing response with 12 amazing Scarecrows - a complete success!! Organizers Diane and Chet Palmer set up Courtney Park on September 18 with metal fence post which has housed the Scarecrows during the display. Many folks have visited Courtney Park during the display and have enjoyed the Scarecrows and the peacefulness of Courtney Park. Hopefully this will continue as an annual event for years to come!

Here are the remarks from our Judge Mary Irene Lee:

**BEST OVER-ALL: ABE LINCOLN** (The use of technology, having Lincoln recite " The Gettysburg Address ", repeatedly, was a winner)

**MOST ORIGINAL: JACK AND JILL** (Someone with real knowledge and access to wood created this. It was done well, and a great deal of work))

**MOST CREATIVE: STONE DOG ON A LEASH** (Very simple, but very well done)

**BEST HALLOWEEN THEME: (HALLORBONES(?)):** (With the use of bones and skeleton parts, very Halloweenish !)

**PRETTIEST: PINK WIGGED LADY:** (The Variety of Clothing, and the pink wig made this a beautiful Scarecrow!)

**JUDGES CHOICE: THE LEPRECHAUN:** (He was such a Happy Bloke, and felt like he would begin dancing any moment!)
