

Minerva Seniors Love to Party (With Paint)

Irene Koch held brush in hand, dabbed the paint and produced a sweet scene to take home and add to her collection of art for which she is known in Minerva. Irene celebrated her 100th birthday in March and is an active member of the Sleeping Giant Seniors!

Anne Brown, artist, hosted a Paint Party at the Minerva Community Center on Wednesday, Sept. 6, 1-3 p.m., with 14 of our seniors being led through the paces of a project that resulted in a landscape, one which could be taken home and framed and enjoyed for years to come.

Anne is a retired Art teacher from the Guilderland School system, and active in the area with art projects. The seniors are pleased that she is part of the Sleeping Giant organization.

The Paint Party was funded, in part, by a grant from the Community Fund of Gore, as well as from the senior club. Please enjoy the photos showing the event.
